

The Gardner School Uniforms

The Gardner School uses Mills Uniform Company for our student uniforms.

If your child is in our Imagination, Enchantment or Acceleration classes, they are required to wear a TGS uniform from Mills Uniform Company Monday through Thursday with Friday as a "free dress" day.

Uniforms may be purchased at this link:

School Code: 3840

A few notes about uniforms:

- We require uniform apparel on top (polo, blouse, sweater, or sweatshirt). You may also purchase bottoms from Mills (khaki pants, khaki shorts, dresses, jumpers, and skirts). We also allow khaki pants or shorts to be purchased from any store; they must be dress khakis (no cargo shorts/pants or cinched ankles).
- Accessories, like socks, bows, jackets, are optional and do not need to be purchased through Mills.
- Typically, families purchase 3 tops and 2-3 bottoms, but it depends on your family's laundry cycle.
- Orders are processed daily Monday through Friday and may be shipped in multiple shipments depending on stock availability. Items ordered online or by phone are billed when they are shipped. Please remember to factor in order processing time in addition to shipping time.
- If you have any questions, please ask the school director. Thank you!
